"It's been great so far!" Entertainment Tonight's **Samantha Harris** told OK! of her second pregnancy, while celebrating at her Oct. 7 baby shower at the Andaz Hotel in West Hollywood. "I haven't had any cravings. Pregnant women are probably cursing my name, because I didn't have much nausea and I feel pretty good."

And her party made her feel even better! Samantha's beautifully decorated suite was filled with candy, cupcakes, mini-burgers and lemonade, not to mention the partygoers: her husband, financial wholesaler **Michael Hess**, and their daughter, **Josselyn**, close friends like **Kym Johnson** from *Dancing With the Stars*, and lots of friends from work. "Everyone at ET has been so supportive of the pregnancy," says Samantha. "It's really nice."

WE CAN'T WAIT! Josselyn (at left, with her mom and dad) welcomed the baby news. "She's coming up to me at random times and kissing my belly," says Samantha.
